Neal,

I should have some response drafts for you this afternoon. I am meeting with Dante today in my office in the next hour.

I will call you this afternoon.

Ernie,

As we stated before, the earlier we can get feedback, the more likely we will be able to avoid involving Judge Mazzant. Please get us comments as soon as possible.

Ernie,

If we can start discussing the agreements early, we may be able to avoid involving Judge Mazzant on the 27th. You have now had drafts of the proposed settlement agreement and agreed judgment for nearly three weeks. You have had drafts of the IP transfer agreement and domain name transfer agreement for nearly two weeks. Please give us whatever comments you can by the end of the day today so that we can work through as much as possible before the 27th.

Neal,

I am at a clients location until tomorrow morning. We will have some comments to you by the end of the week.

I think the biggest issues will be the breadth of the intellectual property transfer agreement. I will have more details for you soon.
